August 11, 2015 PROGRESS REPORT
Dear Fellow Alumni;
I would like to submit to you our Society's Progress report for this year.

A) Amendments of our BY-LAWS. Last March 21-23, 2015, in Richmond, BC, the Executive Officers convened to discuss, make suggestions and changes to our By-Laws. Followed by our monthly Skype meetings, our By-Laws has been approved and finalized and is ready for submission and approval to the Department of Ministry, BC.

B) Scholarships and Excellence Awards. We are proud to sponsor these awards to all deserving PHILIPPINE FEU-NRMF MT students on a yearly basis. The students who apply for scholarships are being screened and selected by the FEU-NRMF MTAS (PHIL) Executive Board officers and are submitted to us for approval. Thru the generous and kind donations from our loyal officers and members, we are making a difference to students who are in need of financial support to achieve their goals in life. The list of donors and awardees are in our website; feuinternationalmedtech.org. We welcome those who are interested to be a donor for these awards.

C) Community Service. This year, we extended our help to 2 needy and deserving students at Carmelite College in Siquijor. We donated $2000 for this cause.

D) FEU-NRMF MTIAS Reunion will be held again in Las Vegas on October 14-16, 2016 at Gold Coast Casino Resort. Maxi Edora is the chairperson of this event. We encourage you to make plans and participate. We are targeting all BSMT Class years to join and be involved.

E) Fund Raising. To keep our Society's goals moving forward, Maxi and I are planning to hold a CE seminar in Las Vegas in April 9, 2016 (Details to follow). This is a joint effort by PAMET NOR-CAL and FEU-NRMF MTIAS. We are seeking for some lecturers or speakers to help us make this event successful. Remember the date and make plans.

F) Membership Drive. We are sincerely seeking your support to be a member; a year or two or better yet a LIFETIME member (can be paid in 2 installments)! For a simple donation, you can be a part of a wonderful journey. Just visit and check our website: feuinternationalmedtech.org for all updates and current activities. G) FEU-NRMF Alumni Reunion (Philippines). Tony Ricafort, our past President and I will attend the event on January 22, 2016 in FEU-NRMF School of Medicine/MT to deliver our scholarship awards to the selected

students. We will also discuss with the FEU-NRMF MTAS Executive Board Officers our future plans for the students and school.

Further, I am just very proud of my fellow officers and very supportive members who unselfishly devote their time and services for our Society. The overall result and satisfaction of this volunteerism is just plain and simple... "To make a Difference." Let's all be a part of this movement.

Sincerely,
Dan Dominguez, CLS
